---

**NAME:** \_\_\_\_\_

This project is for your benefit and self-assessment, as well as for our pastoral assessment to ensure that we are teaching the Scriptures accurately and that you are retaining correct biblical information. This is an open-note project, so utilize the handouts, videos, and books we have recommended throughout the study, as well as each other! Don't worry, there are no grades! Unless specified, there is no required length for the answers—just answer to the best of your ability and knowledge! After completing this project, please give a copy to Pastor Sam so that he can read it and give you feedback. If you are on the equipping track, completing this project is necessary for your certificate. We hope this project becomes a resource that benefits you in the future, and we pray blessings of heart, head, and hands over you as you consider what you've learned this semester!
